Thanks Paula.

Does anyone know who the contractor the SMMUSD is using is? How much \$? EPA certified for PCB cleaning? Sole source contract?...

Happy Holidays, Hugh

The plan was done by Katchen.

I am about to leave for our office holiday party, but will take a quick look at this first.

I am leaving it to you all to disseminate this information.

I will check email over the weekend to see if there is anything more I can do.
